| <p>SHORT DAY TRAMPS FROM TAUPO</p> <p>Paperback ISBN 978-0-473-15262-8 PDF Download ISBN 978-0-473-15263-5</p> |  <p>Tramps that take up to 4 hours and on recognised, way-marked trails which are well known and documented. One or two are in areas with little DoC presence and follow poorly marked hunters' tracks. Several are suitable for those new to tramping, beginners and supervised children.</p> | <p>Number of Tramps: 22 Number of Pages: 68</p> <p>Paperback – full colour Quarto Download – PDF file</p> <p>Available on-line at: www.lulu.com/content/2291814</p> |
| <p>LONGER DAY TRAMPS FROM TAUPO</p> |  <p>Tramps that take in excess of 4 hours with some being easy but most are in the moderate to fit category – mainly due to distance covered and time involved but some do have technical challenges. Mostly on well recognised, way-marked tracks but some are on small tracks established by hunters and those scraping a living in the bush.</p> | <p>Number of Tramps: 49 Number of Pages: 153</p> <p>Paperback – full colour Quarto Download – PDF file</p> <p>Available on-line at: www.lulu.com/content/2284738</p> |
| <p>DAY TRAMPS outwith THE TAUPO AREA</p> |  <p>Tramps that are accessible from Taupo as day walks but can involve roads trips of up to 2 hours to the start and / or return. Some are A to B walks through areas such as the Whirinaki from Plateau Road to Minginui and do require a “bus or car” mover to drop trampers at the start then pick up the far end.</p> | <p>Number of Tramps: 17 Number of Pages: 53</p> <p>Paperback – full colour Quarto Download – PDF file</p> <p>Available on-line at: www.lulu.com/content/2329968</p> |
| <p>SELECTION of OVER-NIGHT TRAMPS in the North & South Islands, NZ</p> <p>Paperback ISBN 978-0-473-15178-2 PDF Download ISBN 978-0-473-15179-9</p> |  <p>These selected overnight tramps involve staying in huts or camping on the trail and most certainly mean carrying a backpack fully loaded with gear and food. Several of these tramps can be done as day walks but do present the opportunity to stop out overnight, usually in some comfort.</p> | <p>Number of Tramps: 31 Number of Pages: 143</p> <p>Paperback – full colour Quarto Download – PDF file</p> <p>Available on-line at: www.lulu.com/content/2368761</p> |
| <p>Tramping in the Central North Island New Zealand</p> <p>Paperback ISBN 978-0-473-15061-7 PDF Download ISBN 978-0-473-15062-4</p> |  <p>Description of virtually all the tramps done in the past few years by the Taupo Tramping Club (TTC) in and around the Central North Island plateau. This update of the original 2007 publication includes more accurate GPS data with that data presented on topographic maps and Google Earth imagery.</p> | <p>Number of Tramps: 81 Number of Pages: 229</p> <p>Paperback – full colour Quarto Download – PDF file</p> <p>Available on-line at: www.lulu.com/content/2420267</p> |
| <p>GPS and GPS Software for use in New Zealand</p> <p>Paperback ISBN 978-0-473-14909-3</p> |  <p>An attempt to document set-up and routines for using Garmin GPS Units in New Zealand and the GPS Software OziExplorer. In particular the set-up for displaying maps with the new NZTM – New Zealand Transverse Mercator - is detailed.</p> | <p>Available on-line at: www.lulu.com/content/6364888</p> |
